Report on Alumni Feedback Survey

Academic Session 2024-25

The Internal Quality Assurance Cell (IQAC) of the I.P. (P.G.) College Campus-2, Bulandshahr, in association with the alumni associations of the college collects alumni feedback on academics, infrastructure, laboratories, career counseling and the other facilities provided by the college. A well designed and structured questionnaire has been used to collect the responses. The objective of the feedback is to analyze the importance and relevance of the courses and curriculum, the functional nature of the course, the co-curricular activities in the college, and the influence of campus environment of the college in their life. It also tries to evaluate the contribution of the college in their overall personality development, their career orientation, campus placement opportunities provided by the college.

The Online questionnaire is provided to the alumni through Google Form and feedback form alumni is collected online. The scale measures the responses as **Excellent, Very Good, Good, Average, Below Average**. The responses obtained on these dimensions are compiled into a spreadsheet, analyzed and logical conclusions are drawn there from.

The main objectives of alumni feedback may be-

- To generate insights into institutional quality improvements.
- To measure alumni experiences and satisfaction with all the areas of their education – from academic experiences (quality of education, academic schedules etc.) to student experiences (campus life, extracurricular activities, technology resources).
- To gather information on the interests of alumni to participate in alumni events.
- To gauge the interest of alumni in making monetary contributions to the educational institution.
- To analyze and report on the data to provide statistical information for the purpose of accreditation.
- To gather preferences, contact information and current status.

The Table 1 demonstrates the responses observed on the given scale as against the respective parameters. As a higher/ lower proportion of students respond as **Excellent to Below Average**, indicates an outcome in favour (or against) college attaining or deviating) from its goal.
